

# Case Study: TIAA - 1300 Eye Street

## Environmental Sustainability

### Objective:

- Obtain certification for GreenTouch and LEED Cleaning

### Target:

- Receive accreditation from GreenSeal
- Utilize processes & procedures from TIAA's 1300 Eye Street in Washington, D.C. as our GreenTouch standard

### Results:

- Achieved GreenSeal Certification with honors
- Now utilize our GreenTouch processes and procedures throughout our US locations
- Increased service footprint with TIAA and other property owners
