

Case Study:

Heritage Tower Houston, TX

Objective:

- Assist building with Alternative Commuting and Comfort / Custodial Audit to achieve LEED EB Gold Certification

Target:

- Ensure all processes and procedures in place to score highest points / rating in Alternative Commuting and Comfort / Custodial Audit

Results:

- Achieved maximum points in the Commuting and Comfort Survey - "the highest ever seen in Houston"
- Achieved maximum score for the Custodial Audit

"...We believe that Guadalupe Perez and her team truly deserve to be congratulated and rewarded for providing excellent service and support well beyond the expectations of our company in the LEED Certification process..."

Kathy Collins & Ben Johnson, NV5
